Dear Mr McMahon,

**Consideration of Petition PE1105**

Thank you for forwarding the letter of 18 November 2015 from Ms Shona Robison, Cabinet Secretary for Health, Wellbeing and Sport.

I understand a meeting with Government officials and representatives from both St Margaret of Scotland Hospice and NHS Greater Glasgow and Clyde is currently being arranged.

It is greatly appreciated that the Committee continues its consideration of Petition PE1105.

Yours sincerely
