Dear Committee Members

**Additional Submission PE1351**

Amendment to the petitioners submission of 12<sup>th</sup> March 2012

We would like to add to our submission and correct an error. Please note that we value the input from the survivor group FBGA (Former Boys and Girls Abused of Quarriers Homes).

Note an error in the typing reads “FBGH” of Quarriers Homes. This should read FBGA of Quarriers Homes.

Also we should have made a comment on the letter to the petition from FBGA. Chris Daly the petitioner forgot to type this from notes. We now add these comments.

- The petitioners agree with many of the points raised by the organisation FBGA. In particular the following points made by FBGA.
- SHRC Interactions is a step in the right direction.
- We agree the “Forum inquiry process” should be within a reasonable time frame.
- Further we also support the comments that the rights to redress justice and reparation should be met.
- We also agree with the need for the government and all involved to have compassion for those victims with “chronic health issues”. In our view the whole process should be timely given the number of survivors having passed away without seeing justice.

Again we apologise for the error and omissions from our letter of 12<sup>th</sup> March 2012.

Yours sincerely

**Helen Holland
