By Email to: Anne.peat@scottish.parliament.uk

Dear Sirs

Ref email of 14th November 2011- CONSIDERATION OF PETITION PE1367

We are sorry that our reply to your original request for Community Councils opinion on this petition was not received.

It is unfortunate that we do not hold the views of Community Councils on this particular topic and regret that we would be unable to furnish you with a collective national opinion at this time.

We recognise that you value the opinion of Community Councils and with this in mind; we can facilitate an on line survey or simple opinion poll of Community Councils views on the issues raised by the Petition.

If the Petition Committee or the Petitioner feels this would be of benefit please do not hesitate in contacting me.

Yours Sincerely

Christine Mc Nally
National Development Officer.
