

**PUBLIC PETITIONS COMMITTEE CONSIDERATION OF PE1453
QUESTIONS ARISING FROM COMMITTEE MEETINGS**

TUESDAY 11 DECEMBER 2012

NHS Greater Glasgow and Clyde—

- What has been the initial response to the recent launch of the 'Respect my dying wish' campaign?
- What previous approaches have proved to be successful, or unsuccessful, in increasing levels of organ donation?
- What steps, other than the above campaign, are currently being taken, or considered, to increase levels of organ donation?
- Do you have any other views on what the petition seeks?

All other Scottish Territorial Health Boards—

Scottish Government—

NHS Blood and Transplant—

- What previous approaches have proved to be successful, or unsuccessful, in increasing levels of organ donation?
- What steps are currently being taken, or considered, to increase levels of organ donation?
- Do you have any other views on what the petition seeks?

British Transplantation Society—

British Medical Association Scotland—

- What are your views on what the petition seeks?
