

**PUBLIC PETITIONS COMMITTEE CONSIDERATION OF PE1477
QUESTIONS / ISSUES ARISING FROM COMMITTEE MEETINGS**

TUESDAY 26 JANUARY 2016

Joint Committee on Vaccination and Immunisation—

- The Committee would welcome the JCVI's comments on the petitioner's recent submission which can be found here:
www.scottish.parliament.uk/S4_PublicPetitionsCommittee/General%20Documents/20160118_PE1477_J_Petitioner.pdf
- Please provide an update on the JCVI's work on whether it should recommend that all boys receive the HPV vaccine/

TUESDAY 25 NOVEMBER 2014

The Petitioner—

- What are your views on the Joint Committee on Vaccination and Immunisation's interim statement on the provision of Human Papillomavirus vaccines to men?

TUESDAY 10 DECEMBER 2013

Joint Committee on Vaccination and Immunisation—

- The Committee was interested to hear [reports](#) that the HPV vaccine could be given to boys as well as girls in UK. In light of this, please provide details about any plans to revisit an extension of the HPV vaccination programme to boys.

Scottish Government—

- What are your views on the written evidence received, particularly from Professor Stanley, University of Cambridge?
- Please provide details of any further advice from the JCVI on extending the HPV vaccine to boys.

TUESDAY 11 JUNE 2013

Scottish Government—

Health Protection Scotland—

Cancer Research UK—

Stonewall—

Gay Men's Health—

Scottish Cancer Coalition—

Professor Heather Cubie, University of Edinburgh—

Professor Margaret Stanley, University of Cambridge—

- What is your view on the petitioners' call to extend the HPV immunisation programme to boys in Scotland?

- What are your views on the issues raised in the petition and during the discussion on the petition at the meeting on 11 June 2013?
