

PE1731/A

Moray council submission of 1 October 2019

Thank you for your email in relation to Petition PE1731 which has been passed to myself for a response.

At Moray Council, all of our Full Council and Service Committee meetings (with the exception of confidential items) are webcast live and then available in our webcast library for 1 year.

Whilst we do not have a policy on the audio recording of public council meetings, as the above meetings are already recorded, we would not have any issue with an individual recording the meeting.

I hope the above information is useful however please do not hesitate to contact me should you require further information.
