Section F – Motions and Amendments

Motions and amendments are normally printed the day after they are lodged. If an amendment is lodged to a motion then the original motion will appear alongside the amendment, along with any support lodged that day, in this section.

Each Monday, this section also contains all motions and amendments lodged the previous week that are still live and any motions and amendments that have been lodged for debate in the coming week. A motion or amendment is live if it has not been debated, withdrawn or otherwise deleted from the list.

Where a motion or amendment has been withdrawn, it is indicated in this section the day after it has been withdrawn. Support for motions and amendments received after they are lodged is shown at the end of this section the day after such support is received.

Motions and amendments can be published with various symbols:

- Asterisks before the motion or amendment number indicate a motion or amendment published for the first time;
- Asterisks also identify alterations to the text of a motion or amendment made since it was first published;
- A hash symbol identifies motions eligible for debate at Members' Business;
- A diamond symbol identifies motions lodged for Members' Business that have not yet attracted the required cross-party support;
- An "R", identifies motions or amendments in which the Member who lodged it has a registrable interest.

The Parliamentary Bureau periodically deletes motions or amendments not scheduled for debate and which are over six weeks old.

A search facility is also available on the Scottish Parliament web site at <http://www.scottish.parliament.uk/parliamentarybusiness/28877.aspx>.

Any questions in relation to this section should be directed to the Chamber Desk, for which contact details are provided at the end of the Bulletin.

New and altered motions and amendments

***S4M-01551 Joan McAlpine: Tackling the Problem of Empty Homes in Scotland**—That the Parliament welcomes the Channel 4 series, *The Great British Property Scandal*, which, it believes, highlights the problem of long-term empty homes; understands that there are 25,000 long-term empty homes in Scotland; welcomes the Scottish Government's funding for the Scottish Empty Homes Partnership, which is hosted by Shelter Scotland, and further welcomes the Scottish Government's ongoing consultation on extending council tax charges for such homes, with the intention that additional revenue raised is re-invested in affordable homes, including the re-use of empty homes.

***S4M-01549 Bill Kidd: Advice in Scotland 2010-11**—That the Parliament congratulates Citizens Advice Scotland on its state of the nation report *Advice in Scotland 2010-11* and in particular on the findings that bureaux advisors helped clients with a record 203,000 new benefit issues and that bureaux achieved a financial gain of almost £126 million for clients, based on funding of £16.3 million, meaning that clients were almost £8 better off for each £1 of funding provided to bureaux.

***S4M-01548 Annabelle Ewing: Radioactive Particles at Dalgety Bay**—That the Parliament expresses its deep concern at the long-standing hazard of radioactive contamination of an area of foreshore at Dalgety Bay, which it understands is a consequence of the closure of Donibristle Airfield in 1959 and the subsequent dumping and burning of aircraft dials and other materials containing radium; is further concerned that finds of radioactive material have accelerated in recent months; welcomes SEPA's increased levels of investigation and monitoring, its handling of the current situation and the information it has given to the wider community, but is concerned that no positive course of action to remedy this unacceptable position appears to have been suggested or implemented by the UK Government, with whom it considers responsibility lies.

***S4M-01545 Clare Adamson: This is Our Faith**—That the Parliament congratulates Bishop Devine and the staff, pupils and clergy of the Diocese of Motherwell on the celebration launch of *This is Our Faith* at Our Lady of Good Aid Cathedral, Motherwell on 7 December 2011; recognises the contribution of Bishop Devine, as President of the Commission for Catholic Education and Scottish Catholic Education Service, to the publication of *This is Our Faith* as a guide to teachers on the religious education curriculum, which has been developed for children and young people in Catholic schools in Scotland: acknowledges what it considers the thoughtful and innovative contribution at the service of the senior pupils undertaking the Caritas Award and the wonderful singing of the choir of St Mary's Primary School in Hamilton, and believes that this was an successful and inspiring celebration for the Catholic education community in the Diocese of Motherwell.

***S4M-01543 Siobhan McMahon: Welfare Reform Bill**—That the Parliament welcomes the announcement on 1 December 2011 by the UK Minister for Disabled People, Maria Miller MP, that the proposals by the UK Government to remove disability benefits from those living in residential care will now not be implemented in 2013-14 as planned; understands that this proposal, if implemented, would have seen 80,000 disabled people lose between £20 and £50 in benefit a week; welcomes the findings of the Low Review, which it considers made some important recommendations that will help ensure that disabled people are able to exercise their right to mobility in the same manner as non-disabled people, and notes the contributions made by disabled charities in Scotland along with over 5,000 campaigners who attended the Hardest Hit events across the country on 22 October 2011, which it believes sent a clear message to the UK Government to stop what it considers these unnecessary cuts to the benefits and services of disabled people.

Bills in Progress

A list of all bills in progress can be accessed by the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. an Executive, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is three sitting days before the meeting at which those amendments will be considered (e.g. Thursday for a meeting on Tuesday); at Stage 3 it is four days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for Stage 2, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(Ex) = Executive Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
