'Circular Economy in Taiwan' by Ms Shadow Huilin Chen, CEO, Taiwan Circular Economy Network  
  
Taiwan boasts one of the world's highest rates of recycling and there is growing awareness of sustainability issues. Taiwanese government also launched circular economy as one of the "5+2" industrial innovation program. However, transformation to a circular economy is no easy task. At this event, our guest speaker will talk about recent circular economy developments in Taiwan and discuss areas for collaboration with Scotland with all the participants.
