## **Minutes**

### **Apologies**

Rhoda Grant opened the meeting and apologies were read out as listed above.

### **Agreeing the Minutes of the previous meeting**

Rhoda asked if the group could approve the Minutes of the previous meeting (30/9/2020). They were unanimously approved.

### **Election of Conveners and Secretariat**

Rhoda thanked everyone who had contributed to the running of the CPG and asked Jacci Stoye to chair the re-election of the co-conveners.

Jacci asked the co-conveners Rhoda Grant and Ruth Maguire if they wished to continue in their role and they both agreed to do so. They were unanimously approved by the group.

Rhoda then resumed chair and asked Jacci Stoye if she wished to continue in her role as Secretariat, and she agreed to do so. She was also unanimously approved by the group.

Rhoda thanked Jacci for her hard work over the past year.

### **Feedback from MSPs on any parliamentary business**

Rhoda decided that as we were currently having an ongoing parliamentary consultation, ***Equally Safe: A consultation on challenging men's demand for prostitution, working to reduce the harms associated with prostitution and helping women to exit***, this point had been covered in the previous public zoom meeting, *How to tackle demand for prostitution and sex trafficking in Scotland*. (The public meeting was organised by UK Feminista as a webinar in conjunction with this AGM, but as it was open to those who might not wish to have their attendance formally noted, it was not included as part of our closed, members only AGM.)

**AOB**

Jacci told the group that Anna Fisher from Nordic Model Now (NMN) had asked her to tell everyone that NMN had devised a 'two minute option' for people to use who were in favour of the Swedish approach. She would be adding the link to the googlepage tomorrow.

**Dates for further meetings**

Rhoda suggested that we might think about another meeting in March and Jacci said she and Kate Fry would liaise about the date by email.
