Fuel Poverty (Targets, Definition and Strategy) (Scotland) Bill

[AS AMENDED AT STAGE 2]

An Act of the Scottish Parliament to set targets relating to the eradication of fuel poverty; to define fuel poverty; to require the production of a fuel poverty strategy; and to make provision about reporting on fuel poverty.

Fuel poverty targets

1 The 2040 target

(1) The target is that in the year 2040, as far as reasonably possible no household in Scotland is in fuel poverty and, in any event—

(a) no more than 5% of households in Scotland are in fuel poverty,
(b) no more than 1% of households in Scotland are in extreme fuel poverty,
(c) the median fuel poverty gap of households in Scotland in fuel poverty is no more than £250 adjusted in accordance with section 2B(5) to take account of changes in the value of money.

(1A) The Scottish Ministers must ensure that the 2040 target is met in each local authority area.

(1B) The Scottish Ministers may by regulations change the target year if they receive a report from the Scottish Fuel Poverty Advisory Panel under section 9A(4) advising that the target will not be met.

1A The 2030 target

The target is that in the year 2030—

(a) no more than 15% of households in Scotland are in fuel poverty,
(b) no more than 5% of households in Scotland are in extreme fuel poverty,
(c) the median fuel poverty gap of households in Scotland in fuel poverty is no more than £350 adjusted in accordance with section 2B(5) to take account of changes in the value of money.
Meaning of fuel poverty

(1) A household is in fuel poverty if—

(a) the fuel costs necessary for the home in which members of the household live to meet the conditions set out in subsection (2) are more than 10% of the household’s adjusted net income, and

(b) after deducting such fuel costs, benefits received for a care need or disability (if any) and the household’s childcare costs (if any), the household’s remaining adjusted net income is insufficient to maintain an acceptable standard of living for members of the household.

(2) For the purpose of subsection (1)(a), the conditions are that—

(a) the requisite temperatures are met for the requisite number of hours, and

(b) the household’s other reasonable fuel needs within the home are met.

(3) For the purpose of subsection (2)(a)—

(a) the requisite temperatures are—

(i) in the case of a household for which enhanced heating is appropriate—

(A) 23 degrees Celsius for the living room,

(B) 20 degrees Celsius for any other room,

(ii) otherwise—

(A) 21 degrees Celsius for the living room,

(B) 18 degrees Celsius for any other room,

(b) the requisite number of hours is—

(i) in the case of a household for which enhanced heating is appropriate, 16 hours a day,

(ii) otherwise—

(A) 9 hours a day on a weekday,

(B) 16 hours a day during the weekend.

(4) The Scottish Ministers may by regulations specify the types of household for which enhanced heating is appropriate.

(5) Subject to subsection (5A), a household’s remaining adjusted net income is sufficient to maintain an acceptable standard of living for the purpose of subsection (1)(b) if it is at least 90% of the minimum income standard applicable to the household after deduction of the notional costs allocated as part of that standard to—

(a) rent,

(b) council tax and water rates,

(c) fuel,

(d) childcare.
(5A) Where the home in which members of a household live is in a remote rural area, remote small town or island area, the household’s remaining adjusted net income is sufficient to maintain an acceptable standard of living for the purpose of subsection (1)(b) if it is in total at least—

(a) the amount determined in relation to the household in accordance with subsection (5), and

(b) such additional amount (if any) as is determined in relation to the household by or in accordance with regulations made by the Scottish Ministers.

(5B) Regulations under subsection (5A)(b) must—

(a) define “remote rural area”, “remote small town” and “island area”,

(b) specify a person who is to determine, in relation to households in such areas or towns, the additional amount mentioned in subsection (5A)(b).

(5C) The person specified in regulations under subsection (5A)(b) must make a separate determination on the additional amount in relation to households in island areas.

(5D) In defining “island area” in regulations under subsection (5A)(b), the Scottish Ministers must ensure that the definition encompasses all island areas.

(6) In this section—

(a) “adjusted” means adjusted by deducting housing costs,

(aa) “benefits received for a care need or disability” means benefits received for a care need or a disability under—

(i) section 31 of the Social Security (Scotland) Act 2018 (disability assistance),

(ii) section 77 of the Welfare Reform Act 2012 (personal independence payment),

(iii) section 64 of the Social Security Contributions and Benefits Act 1992 (attendance allowance),

(iv) section 71 of the Social Security Contributions and Benefits Act 1992 (disability living allowance),

(b) “childcare costs” means the costs of any care or supervised activity provided—

(i) for a child who is below school age or who is receiving primary education (within the meaning of section 135 of the Education (Scotland) Act 1980), and

(ii) other than care or supervised activity provided in the course of the child’s compulsory education or where the main reason for incurring the costs is the child’s participation in the activity,

(c) “household” means—

(i) one person living alone in a private dwelling, or

(ii) a group of people living together as a family or other unit (whether or not related) in a private dwelling, who—

(A) have the dwelling as their only or main residence, and

(B) share living accommodation and cooking facilities,
(d) “housing costs” means—
   (i) rent or mortgage costs,
   (ii) council tax (within the meaning of section 99(1) of the Local Government Finance Act 1992), and
   (iii) charges for the provision of water services and sewerage, incurred in respect of the home in which members of the household live,

(e) “minimum income standard” means the minimum income standard for the United Kingdom determined by—
   (i) the Centre for Research in Social Policy at Loughborough University, or
   (ii) such other person as the Scottish Ministers may from time to time determine,

(f) “net income” means the income of all adults in the household after deduction of—
   (i) the income tax payable on that income, and
   (ii) the national insurance contributions for which those adults are liable under Part 1 of the Social Security Contributions and Benefits Act 1992.

2A Meaning of extreme fuel poverty

(1) A household is in extreme fuel poverty if—
   (a) the fuel costs necessary for the home in which members of the household live to meet the conditions set out in section 2(2) are more than 20% of the household’s adjusted net income, and
   (b) after deducting such fuel costs and the household’s childcare costs (if any), the household’s remaining adjusted net income is insufficient to maintain an acceptable standard of living for members of the household.

(2) Subsections (2) to (6) of section 2 apply in relation to the definition of extreme fuel poverty under this section as they apply in relation to the definition of fuel poverty under that section.

2B Meaning of fuel poverty gap

(1) Where a household is in fuel poverty, the fuel poverty gap is the figure calculated in accordance with subsection (2) or the figure calculated in accordance with subsection (3), whichever is the lower.

(2) The first figure referred to in subsection (1) is the difference between—
   (a) the annual fuel costs necessary for the home in which members of the household live to meet the conditions set out in section 2(2), and
   (b) 10% of the household’s annual adjusted net income.

(3) The second figure referred to in subsection (1) is the difference between—
   (a) the annual amount required to maintain an acceptable standard of living for members of the household, and
   (b) the household’s annual remaining adjusted net income for the purpose of section 2(1)(b).
(4) For the purpose of subsections (1) to (3)—
   (a) the amount required to maintain an acceptable standard of living is to be determined in the same way as it is for the purpose of section 2,
   (b) “adjusted”, “household” and “net income” have the same meanings as in section 2(6).

(5) Where the fuel poverty gap is being measured against a fuel poverty target, the sums referred to in sections 1(c) and 1A(c) are to be increased or (as the case may be) decreased by the same percentage as the percentage increase or decrease in the annual average consumer prices index over the period from 2015 to the year to which the target relates.

(6) In subsection (5), the consumer prices index means the all consumer prices index published by the Office of National Statistics.

(7) The Scottish Ministers may by regulations amend this section to replace references to one prices index with references to another.

Fuel poverty strategy

3 Preparation of strategy

(1) The Scottish Ministers must prepare a fuel poverty strategy.

(2) The fuel poverty strategy must—
   (a) set out the approach the Scottish Ministers intend to take to ensure that the fuel poverty targets are met,
   (aa) set out the approach the Scottish Ministers intend to take to ensure that the 2040 target is met in each local authority area,
   (ab) set out the cost of the approach set out under subsection (2)(a),
   (b) set out organisations, or types of organisations, with which the Scottish Ministers intend to work to ensure that the fuel poverty targets are met,
   (ba) set out how the Scottish Ministers intend to identify households in fuel poverty,
   (c) identify characteristics of households which—
      (i) are likely to be in fuel poverty, or
      (ii) for which getting out of fuel poverty presents particular challenges,
   (ca) set out the approach to identifying residential buildings with low levels of energy efficiency—
      (i) requiring improvements to achieve, by 2030, an energy performance certificate band C or higher (within the meaning of the Energy Performance of Buildings (Scotland) Regulations 2008),
      (ii) where it is technically feasible and cost effective to achieve such a performance certificate,
   (d) set out how the Scottish Ministers intend to assess—
      (i) progress towards meeting the fuel poverty targets, and
      (ii) whether the fuel poverty targets are met.
(2A) The approach set out under subsection 2(a) must include provision for how to remove low levels of energy efficiency as a driver of fuel poverty.

(3) The fuel poverty strategy may include such other information as the Scottish Ministers consider appropriate.

(4) The Scottish Ministers are to keep the fuel poverty strategy under review.

(5) Within 5 years after publishing the first fuel poverty strategy under section 5(1)(a) or any revised strategy, the Scottish Ministers are either—
   (a) to revise the strategy, or
   (b) to publish an explanation of why they have decided not to revise it.

4 Consultation on strategy

(1) In preparing the fuel poverty strategy and any revised strategy, the Scottish Ministers must consult such persons as they consider appropriate.

(2) The persons consulted under subsection (1) must include—
   (a) individuals who are living, or have lived, in fuel poverty, and
   (b) local authorities.

(3) For the purpose of subsection (1), it is immaterial that anything done by way of consultation was done—
   (a) before the Bill for this Act was passed, or
   (b) after that but before this section comes into force.

(4) The Scottish Ministers must lay the proposed fuel poverty strategy and any proposed revised strategy before the Scottish Parliament—
   (a) before the expiry of the period of 1 year beginning with the day on which section 3 comes into force, or
   (b) in the case of a proposed revised strategy, following a review under section 3(4).

(5) The Scottish Ministers may not complete their preparation of the fuel poverty strategy or any revised strategy until after the expiry of the period of 40 days beginning with the day on which the proposed strategy or, as the case may be, proposed revised strategy is laid before the Scottish Parliament (taking no account of any time during which the Parliament is dissolved or in recess for more than 4 days).

5 Publication and laying of strategy

(1) As soon as reasonably practicable after the end of the period mentioned in section 4(5), the Scottish Ministers must—
   (a) publish the fuel poverty strategy and any revised strategy, and
   (b) lay a copy of it before the Scottish Parliament.

(1A) As soon as reasonably practicable after complying with subsection (1), the Scottish Ministers must—
   (a) publish a report setting out—
      (i) the consultation process taken in order to comply with section 4, and
(ii) the ways in which views expressed during that process have been taken account of in preparing the fuel poverty strategy,

(b) lay a copy of the report published under paragraph (a) before the Scottish Parliament, and

(c) make a statement to the Scottish Parliament in relation to the fuel poverty strategy.

**Reporting on fuel poverty**

**6 Preparation of periodic reports**

(b) the progress made in the reporting period towards meeting the fuel poverty targets (including what progress has been made toward meeting the 2040 target in each local authority area), and

(c) the steps that the Scottish Ministers propose to take in the next reporting period in order to meet the fuel poverty targets (including any additional funding required to take those steps) (including what steps the Scottish Ministers propose to take in the next reporting period in order to meet the 2040 target in each local authority area).

(2) A report under subsection (1) may include such other information as the Scottish Ministers consider appropriate.

(3) Subsection (1) does not apply to a reporting period that ends on or after 31 December 2040.

(4) The reporting periods are—

(a) the period of 3 years beginning with the day on which the fuel poverty strategy or any revised strategy is published under section 5,

(b) each subsequent period of 3 years.

(5) For the purpose of paragraph (c) of subsection (1), where the next reporting period would include any period after 31 December 2040—

(a) that paragraph is to be read as a requirement to set out the steps that the Scottish Ministers propose to take in the next reporting period in relation to fuel poverty, and

(b) it is immaterial for the purposes of calculating the next reporting period that a report will not require to be prepared at the end of that reporting period by virtue of subsection (3).

**7 Consultation on periodic reports**

(1) In preparing a report under section 6, the Scottish Ministers must consult such persons as they consider appropriate.
(2) The persons consulted under subsection (1) must include—
