Dear Cabinet Secretary,

The Waste (Miscellaneous Amendments) (EU Exit) (No.2) Regulations 2018

Thank you for your letter, dated 12 December 2018, seeking the Committee’s consent for the proposal for the UK Government to make provision via the above SI.

The Committee considered the consent notification at its meeting on 22 January 2019 and agreed it was content for the Scottish Government to give its consent for UK ministers to lay the SI in the UK Parliament.

During its consideration, the Committee noted the importance of waste directives and their significance in driving forward issues in Scotland.

Yours sincerely,

Gillian Martin MSP
