Dear Lord Carloway

I am writing to you on behalf of the Delegated Powers and Law Reform Committee to make you aware of the [publication of the Committee's third quarterly report for the parliamentary year 2018-19](#) and to welcome the quality of secondary legislation we receive from your Private Office.

As well as being content with the two instruments laid by your Private Office this quarter, it has now been six consecutive reporting periods since an LPPO instrument was reported by the Committee. We very much appreciate this consistently high standard of work and we can only encourage your Private Office to maintain such an impressive level of drafting practice.

Yours,

Convener of the Delegated Powers and Law Reform Committee
