Dear Graeme,

I write to thank you and your officials for appearing before the Delegated Powers and Law Reform Committee on Tuesday 7 May. The Committee very much appreciated the information you provided on secondary legislation stemming from the European Union (Withdrawal) Act 2018 as well as SSIs on domestic issues.

I have set out below the main points on which you offered to come back to the Committee with further information.

### *Consent notifications under the SI protocol*

The Committee asked about the remaining number of consent notifications expected to be sent to the Parliament and you committed to write to the Committee as soon as you had that information.

### *UK powers in devolved areas*

The Committee asked about examples of the Scottish Government agreeing to UK Ministers legislating in devolved areas and you agreed to write with a list with a brief explanation on each.

The Committee would be grateful an update on the first question and a response on the second by Thursday 13 June 2019.

Yours sincerely,

Convener of the Delegated Powers and Law Reform Committee
