### European Union (Withdrawal Agreement) Bill

Dear Convener,

At its meeting this morning, the Delegated Powers and Law Reform Committee considered the delegated powers in the European Union (Withdrawal Agreement) Bill. While the Committee has not had the opportunity to consider the Bill in the same level of detail as it would normally do, the Committee agreed to write to both the Scottish and UK Governments to highlight certain key issues.

As your Committee is considering the Bill tomorrow and taking evidence from the Cabinet Secretary for Government Business and Constitutional Relations, the DPLR Committee agreed to send you these letters for your consideration.

Yours sincerely,

Convener of the Delegated Powers and Law Reform Committee
