Dear Sir/Madam

### **The Registers of Scotland (Digital Registration, etc.) Regulations 2017/Draft**

The Registers of Scotland (Digital Registration, etc.) Regulations 2017/Draft (“the Regulations”) were laid in draft before the Scottish Parliament on 26 October 2017 under sections 116(3)(j) and (4)(a) of the Land Registration etc. (Scotland) Act 2012. The Regulations are subject to the affirmative procedure in accordance with those provisions and section 33(3) of the Interpretation and Legislative Reform (Scotland) Act 2010.

In terms of Rule 10.8 of the Standing Orders of the Parliament, the Scottish Government wishes to withdraw the above named instrument in order to take account of the views expressed by the Economy, Jobs and Fair Work Committee on 21 November. We would intend to consider re-laying the instrument shortly.

I would be grateful if you would make any necessary changes to the Business Bulletin and notify the relevant Committee as appropriate.

Please do not hesitate to contact me on 0131 528 3764 or Graham Fisher on 0131-244-7308 if there is any matter you wish to discuss.

Yours faithfully

Janet Egdell
