Dear Paul

### **Publicly Owned Energy Company**

Further to your letter of [9 October 2019](#), I wonder if you could update the Committee on any recent progress and the timings now intended for the development of a Publicly Owned Energy Company (POEC)?

As you know, we undertook a piece of [work](#) on the case for and likely parameters of a POEC in Scotland and wrote to you on [14 December 2018](#) with our findings.

I would also be grateful if you can confirm if and how the administration of Our Power will inform your considerations; and you may be aware that Willie Rennie MSP wrote to us on [19 December 2019](#) regarding the implications of that process for POEC.

We look forward to hearing from you.

Kind regards

Gordon Lindhurst MSP  
Convener
