Dear Lord Bonomy,

**Environment, Climate Change and Land Reform Committee Meeting 28
March 2017**

On behalf of the Environment, Climate Change and Land Reform Committee, I am writing to thank you for giving evidence to the Committee on the findings and recommendations of your review of the Protection of Wild Mammals (Scotland) Act 2002.

The Committee found this to be a most useful and interesting session, and is grateful to you for your time. The Committee discussed its proposed course of action following the meeting and agreed to await the outcome of the Scottish Government's consultation on the recommendations of your report and its stated intention to work with stakeholders on a new Code of Practice before further considering any future work in this area. Your contribution to this process is valued by the Committee, and I once again thank you on its behalf.

Yours sincerely,

Graeme Dey MSP
