20 December 2018

Dear Ruth

Thank you for your letter informing me of comments the Equalities and Human Rights Committee received during a public call for questions, particularly around the treatment by the DWP of people with disabilities.

You will wish to know that the Committee has invited the UN Special Rapporteur on Extreme Poverty and Human Rights to attend a meeting once his final report on Poverty in the UK is published.

Yours sincerely

**BOB DORIS MSP
CONVENER**
