Dear Convener

The National Fraud Initiative - breakdown of outcome data

Further to my letter of 18 October 2018, I write to advise that we have now completed our factual accuracy checking with the relevant NFI participants and have published a breakdown of outcomes from our 2016/17 NFI report on the new counter-fraud hub on our website. The detailed information can be found at: <http://www.audit-scotland.gov.uk/our-work/counter-fraud>.

A small number of errors in the total outcomes recorded for blue badges and creditors have been identified since our report was published in July 2018. The breakdown of outcome data has been adjusted and updated for these errors.

As I mentioned at the committee's meeting on 20 September 2018, we plan to publish outcomes at this level of detail alongside our future biennial National Fraud Initiative reports.

I hope the committee finds this information useful.

Yours sincerely

Fiona Kordiak
