Dear Gary

On 27 October this year, the First Minister committed in Parliament to setting out a delivery framework for the key programmes of activity to realise the Vision for health and social care in Scotland. I made a similar commitment in my letter to the Public Audit and Post-legislative Scrutiny Committee of 20 October.

Today that framework – *Health and Social Care Delivery Plan* – is published. It can be found via the following link: <http://www.gov.scot/healthandsocialcaredeliveryplan>. The delivery plan sets out the high-level actions, and we look forward to working closely with partners on the detailed planning to implement those actions across Scotland.

I hope this is helpful but please get in touch if we can provide any further information that would be of use to the Committee.

Yours sincerely

Paul Gray
